

Portable Ramps

Portable Access Ramp

Folding, portable aluminium ramp for pedestrians and wheelchairs

- Easy and cost effective solution to access problems
- Constructed from heavy gauge aluminium, powder coated with a high visibility yellow paint finish
- 740mm internal track width with 30mm high safety edges
- Lightweight yet has a 350kg loading capacity
- Includes fasteners and carrying handles
- Folds for easy transport and storage
- Two lengths available, 900mm for step height up to 150mm and 1500mm for step height up to 250mm
- Tough, slip-resistant surface
- Pre-drilled either for wall hanging in storage or for fixing to substrate to provide a more permanent ramp

SIZES

Medium Ramp 900mm, weight 8kg

Large Ramp 1500mm, weight 13kg
