

NEUTRAL DETERGENT CLEANER MULTI PURPOSE CLEANER/DEGREASER

PD310 is a non-caustic liquid blend of surfactants, in concentrated form. The product is a powerful neutral detergent cleaner removing soil from hard surfaces. Suitable for both domestic and industrial use.

As a general purpose cleaner *PD310* reduces the need to hold inventories of many products.

APPLICATIONS

PD310 can be used in a variety of applications to remove grease, grime and traffic film from walls, floors, paintwork, plastic, *PD310* can be used in pressure washers, steam cleaners and foaming equipment in applications where some foam or a stable foam is desirable.

USAGE INSTRUCTIONS

For walls floors and paintwork use *PD310* at a dilution of between 1 and 2% in water. Apply by spray, brush or sponge.

Due to its neutral status, health & safety considerations are minimal.
