

STAINLESS STEEL POLISH

A specially formulated polish for care of stainless steel, which protects against grease and water splashes and leaves surfaces with a smooth lustre.

WHERE TO USE:

Stainless steel doors especially refrigerator and freezer doors.
Do not use on food preparation surfaces.

DIRECTIONS FOR USE:

- 1] Heavily soiled surfaces should be precleaned.
 - 2] Spray sparingly and wipe off with a clean dry cloth.
 - 3] For small areas spray directly on to a cloth.
- Do not inhale spray.*

After use, rinse your hands and dry them thoroughly. As for all chemical products, if you have damaged or sensitive skin, avoid prolonged contact with the neat product.
