

## **DEEP CLEAN 4**

**LONDON UNDERGROUND PART NO: 17812/181**

### **DEEP CLEAN 4 - Highly Alkaline Non-caustic Traffic Film and Rust Stain Remover**

Performance Deep Clean 4 is a concentrated heavy-duty detergent designed for the cleaning of transport vehicles. It contains additives to combat both rust staining (iron oxide) and scale deposits on vehicle paintwork. Deep Clean 4 was specifically designed for use on the exterior of painted LUL rolling stock.

Deep Clean 4 is ideal for use where caustic products and acidic products are unacceptable..

### **DIRECTIONS FOR USE:-**

Apply by steam cleaner, pressure washer or with a brush. Use at between 0.5 and 2% depending on the degree of soiling. Spray on at low pressure (50psi). Work into surface with brush and rinse off at high pressure (1000psi). Deep Clean 4 may be applied through foaming equipment if required.

## **GEL DEEP CLEAN 4**

**LONDON UNDERGROUND PART NO: 17812/182**

Gel Deep Clean 4 is a thickened ready to use version of Deep Clean 4. In use it has increased additive levels and the gel ensures the product stays on the surface until the staining is removed.

### **DIRECTION FOR USE:-**

Apply by brush. Allow to dwell on surface for up to 10 minutes, work over with brush and rinse thoroughly.

### **PRECAUTIONS**

Wear appropriate protective clothing when handling concentrated detergents. Avoid contact with skin and eyes. contact with skin should be washed off with water. Contact with eyes should be rinsed out by irrigation. For detailed health and safety information request hazard data sheets.

### **PACKAGING:**
