

LOCO CLEAN

**** Highly Alkaline Non-caustic Traffic Film and Rust Stain Remover ****

Performance **LOCO CLEAN** is a concentrated heavy duty detergent designed for the cleaning of transport vehicles. It contains additives to combat both rust staining (iron oxide) and scale deposits on vehicle paintwork. **LOCO CLEAN** was specifically designed for use on the exterior of painted LUL rolling stock.

LOCO CLEAN is ideal for use where caustic products and acidic products are unacceptable..

DIRECTIONS FOR USE:-

Apply by steam cleaner, pressure washer or with a brush. Use at between 1% and 2% depending on the degree of soiling. Spray on at low pressure (50psi). Work into surface with brush and rinse off at high pressure (1000psi). **LOCO CLEAN** may be applied through foaming equipment if required.

LOCO CLEAN can also be used neat for the removal of very heavy staining it is especially effective on roofs and carriage ends .

DIRECTION FOR USE:- Apply by brush. Allow to dwell on surface for up to 10 minutes, work over with brush and rinse thoroughly.

PRECAUTIONS

Wear appropriate protective clothing when handling concentrated detergents.
Avoid contact with skin and eyes:- Contact with skin should be washed off with water.
Contact with eyes should be rinsed out by irrigation.

For detailed Health and Safety information request hazard data sheets.
