

PGP 10

PGP10-UPHOLSTERY, CARPET AND GENERAL CLEANER

FORD MOTOR CO.LTD TOX. NO: 110659

PGP10 is a ready to use non-caustic blend of alkali and solvent specially designed for the cleaning of vehicle upholstery and trim removing grease and grime. It is also an excellent all round general cleaner where a fast and efficient ready to use product is required

APPLICATIONS

PGP10 can be used in a variety of applications to remove grease, grime and traffic film from upholstery, carpets, walls, floors, paintwork, plastic, machinery, equipment, engines, etc.

USAGE INSTRUCTIONS

Upholstery :- apply by spray or brush. Allow a few seconds for penetration. Agitate with a brush to produce a foam. Leave to dry and vacuum off.

Carpets :- **PGP10** is high foam but can be used in extraction machines under controlled conditions. Always test a small area for colour fastness.

General Cleaning :- apply by spray directly onto surface to be cleaned and wipe off with a clean cloth or apply to clean cloth and wipe surface over

PACKAGING: 1 litre bottles with trigger unit, 5 and 25 litre bottles
