

TILE CLEAN SUPER

CITRIC ACID BASED CLEANER, DESCALER AND DEGREASER.

- ü
- ü **SAFER ON SENSITIVE MATERIALS**
- ü **MILD BUT EFFECTIVE**
- ü **CLEANS, DEGREASES AND DESCALES IN ONE**

APPLICATION

Tile Clean Super is a citric acid based cleaner, degreaser and descaler specifically designed for use on sensitive material such as ceramic wall tiles and terrazzo. It is milder in its action than traditional descalers containing Phosphoric Acid.

Tile Clean Super has had extensive use in cleaning Victorian wall tiles at London underground stations.

DIRECTIONS FOR USE

Tile Clean Super can be used diluted or in its neat form depending on the degree of soiling. Apply by mop, brush, sponge or through a pressure washer. Stubborn soils may require agitation. Finally rinse with cold water.

SAFETY PRECAUTIONS

Tile Clean Super is not a hazardous material. However prolonged contact with the skin and eyes may cause some irritation. Wear gloves and eye protection when handling the product. In the event of inadvertent contact with the eyes or skin wash the affected area with copious quantities of clean running water. For more detailed health and safety information request a hazard data sheet.

PACKAGING

5 and 25 litre drums.
